

COMB SAGE TEA INTO GRAY HAIR

Darkens Beautifully and Restores Its Natural Color and Lustre at Once.

Common garden sage brewed into a heavy tea, with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use preparation improved by the addition of other ingredients, costing about 50 cents a large bottle, at drug stores known as "Wyeth's Sage and Sulphur Compound," thus avoiding a lot of mess.

While gray faded hair is not sin-tu, we all desire to retain our youthful appearance and attractiveness by darkening your hair with Wyeth's Sage and Sulphur Compound, no-one can tell, because it does it so naturally, so easily. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared. After another application or two your hair becomes beautifully dark, glossy, soft and luxuriant and you appear years younger. Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.

Every Woman Thinks

seriously over the question of motherhood—it used to mean such agony and sacrifice, that one could easily overlook the pleasure and honor of children in the home—but "Mother's Friend" has changed the views of thousands of women from that of distress to a pleasant anticipation of the happiness of being a mother.

The extensive application of "Mother's Friend" assists in the wonderful transformation of the physical system in ease and comfort. Get "Mother's Friend" at any druggist. An intensely interesting book on motherhood will be mailed free to all expectant mothers. Address: The Bradford Regulator Co., 204 Lamar Blvd., Atlanta, Ga.

MARINE CORPS WINS NATIONAL RIFLE MATCHES

'ALOHA OE' WILL BE SEEN AGAIN AT THE PASTIME

Return Engagement of This Beautiful Picture Tomorrow, Featuring Willard Mack and Enid Markey.

Two Teams Will Carry on Round-up; Winners to Eat Fried Chicken and Loser's Bread and Milk.

The Albuquerque Y. M. C. A. will enter the campaign of railway associations of the United States and Canada for 30,000 new members. Albuquerque's quota is 400. It will have from November 14 to 24 to get them.

The Albuquerque association will follow the team competition plan. Two teams—the Reds and the Blues—will be sent after new members. The teams will lunch together at the Y. M. C. A. every day while the campaign is on. At its close the teams will take supper together. There will be two menus—one for the winners and another for the losers. The winners will have fried chicken while their less successful competitors will have bread and milk.

Another prize will be offered. That will go to the member of either team who signs the greatest number of new members. It is a twenty-one jewel watch, given by the Chamber of Commerce of Lancaster, Pa. Arthur Everett has given it as the watch.

The local association will keep in touch with others in the campaign. Secretary N. W. Penning will telegraph to the campaign headquarters in St. Louis daily, reporting local gains and in turn he will be informed by the headquarters as to the progress made throughout the continent.

Leonard J. Paulson, Chicago, international secretary of the Y. M. C. A. for boys' work, will be in Albuquerque for one day, November 1. In that time he will give four addresses. He will speak at the University of New Mexico at 9 o'clock in the morning, at the high school at 11 o'clock, at the Memorial school at 2 o'clock in the afternoon and before the board of directors of the Y. M. C. A. at 6 o'clock. The directors will take supper at the Y. M. C. A. at that time.

A series of indoor meets will be held at the young men's gymnasium closer this winter. At the close of the season prizes will be awarded to three winners. The meets will include apparatus work, strength tests and swimming events.

The Y. M. C. A. will have a basketball league, E. J. Robertson, physical director, announced yesterday. Six teams will play a regular schedule. Mr. Robertson will pick a representative team to play in games against quintets outside the association. Basketball practice has begun.

The Y. M. C. A. will give every one a chance to learn election results the night of November 7 in comfort. Returns will be flashed on a screen in the gymnasium. Seats will be furnished. Seeing the returns will cost nothing. The association will provide refreshments. Of course, they will not be free, but you don't have to eat unless you feel like it. Women are invited.

John W. Wilson will speak at the Sunday afternoon meeting. His subject is "Good Citizenship."

400 MEMBERS. Y. M. C. A. GOAL FOR CAMPAIGN

Two Teams Will Carry on Round-up; Winners to Eat Fried Chicken and Loser's Bread and Milk.

A step toward paying off the city's bonded indebtedness was taken last night by the council in providing for a sinking fund. A levy of one-half mill was made for this purpose.

The sinking fund had to be created at some time, said Alderman Jerry Haggard. The longer the city deferred action, the greater the levy would necessarily be, said he. Mr. Haggard pointed out that by creating the sinking fund now the violent bonds could be redeemed before other issues matured.

City Clerk Thomas Hughes proposed another argument in favor of creating the fund, saying that it would have the effect of bringing the city a better price for its water works bonds.

One of the first questions asked by prospective bond buyers, he said, was to how much the sinking fund would be. Mr. Haggard corroborated the city clerk.

The city's bonded indebtedness is \$25,000. This does not include the city hall debt, which, City Clerk Hughes said, would be paid off in six months.

City Valuation Lower.

The sinking fund question sprang up when the council was fixing the city's tax levy. The levy is the same as that made last year, excepting the half-mill increase for the sinking fund. No levy for a sinking fund was made last year. This year's levy will reduce the city's less money for all purposes, excepting the sinking fund, than did last year, it was pointed out.

That the valuation for the city's buildings, pleasure furnished City Clerk Hughes by County Assessor Fred B. Hough, show that this year's valuation for the city is \$15,847,652—\$9,675.78 less than it was last year.

The city's total levy, including the half-mill for the sinking fund, is 1.2 mills. Of this total, 2 mills were levied for general purposes and 2 for the payment of interest and public debt. Three mills is the limit fixed by law for general purpose levies.

Decide on Water Pipes.

The council at its next meeting will pass an ordinance requiring the Water commissioners to lay new galvanized iron pipes from the main to property lines on West Central avenue before laying is laid, Building Inspector Earl Bowditch said twenty-five years ago, was the average life of this kind of pipe, and the council believed that was sufficiently long.

At the time when other paving was laid, property owners were required to lay lead pipes from the mains to their property lines. Since then the supreme court has held that the Water company must lay pipes to the property line.

The ordinance specifying lead would not apply to the Water company, it was pointed out, and as the price of lead was said by A. B. Mc-

LEVY IS MADE BY COUNCIL FOR A SINKING FUND

This Will Take Care of Viaduct Bonds Before Other Issues Mature; Total Levy for City 5 1-2 Mills.

Before making this decision, however, the council first made inquiry as to the life of galvanized iron pipe, and learned from the building inspector that it averaged twenty-five years. Its life could be lengthened, said he, by treating it.

Miller, president of the Water company, is now prohibitive, the council decided not to force the company to use that kind of pipe. Inspector Bowditch said lead pipe cost 45 cents a foot.

Before making this decision, however, the council first made inquiry as to the life of galvanized iron pipe, and learned from the building inspector that it averaged twenty-five years. Its life could be lengthened, said he, by treating it.

THREE PASS PHARMACY BOARD'S EXAMINATIONS

More than half of the applicants for pharmacists licenses who were examined by the state board Monday and Tuesday failed. Seven passed. They are, B. F. Peale, Albuquerque; C. H. Bellman and A. E. Clark, Santa Fe.

The results of the examinations were announced last night by Mal. B. Rupper, secretary-treasurer of the board.

The board yesterday elected officers for the next year. The present officers were continued in office, Dr. E. G. Murphy of Las Vegas is president and Major Rupper secretary-treasurer.

LOST—Between 1201 W. Central and the university, a dark blue skirt. Return to Journal office.

WANTED—Three girls. Albright & Anderson.

WANTED—Spanish-speaking salesman who understands decorating of good habits and is steady, permanent position for eight party. Apply at 320 W. Central.

WANTED—White maid for general work, also waitress. Apply 699 North Fourth. Phone 874.

CHECK THAT ECZEMA BEFORE IT GETS SERIOUS

That little patch of eruption may be nothing more than a slight annoyance now. But, if neglected, such things have an uncomfortable way of spreading and becoming really serious—turning into itching, burning skin trouble that makes life almost unbearable.

So don't take chances. Dip it in the bath with a few simple treatments with Resitol. Usually the first bathing with Resitol Soap and dressing with Resitol Ointment stop all itching, and soon the irritation is entirely cleared away. Doctors have prescribed Resitol for over 20 years, so that it is not an experiment, but a tested, proven remedy. All druggists sell Resitol Ointment and Resitol Soap. But if you want a sample of each free, write to Dept. 54-R, Remington, Md.

IF BACKACHE OR KIDNEYS BOTHER

Eat less meat also take glass
of Salts before eating
breakfast.

Uric acid in meat excites the kidneys, they become overworked; get sluggish, ache, and feel like lumps of lead.

The urine becomes cloudy; the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys clog you must help them flush off the body's urinous waste or you'll be a real sick person shortly.

At first you feel a dull misery in the kidney region, you suffer from backache, sick headache, dizziness, stomach giddiness, tongue coated and you feel rheumatic twinges when the weather is bad.

Eat less meat, drink lots of water; also get from any pharmacist four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean clogged kidneys and stimulate them to normal activity, also to neutralize the acids in urine, so it is no longer a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive, cannot injure; makes a delightful effervescent lithia-water drink, which everyone should take now and then to keep the kidneys clean and active. Druggists here say they sell lots of Jad Salts folks who believe in overcoming kidney trouble while it is only trouble.
